**ALL THE WAY**

2014 TONY Award Winner for Best Play

It's not personal, it's politics in this 2014 Tony Award-winning drama. President Lyndon Baines Johnson had a way about him. He could massage a victory with one hand and sell you down the river with the other. But brokering a deal is like playing with dynamite. With the country still reeling from President Kennedy's assassination, and a rising tide of bitterness over Civil Rights, it'll take more than politicking to hold America together—it'll take red, white and blue-blooded leadership. Go all the way with LBJ, Martin Luther King, J. Edgar Hoover and more in this "sure-fire, action-packed hit" (Huffington Post) where the line between compromise and compromising your principles is as sharp as a knife.
