MAKE A DIFFERENCE
BECOME A MENTOR

C2 Pipeline Warriors College Experience
July 25 - August 2, 2018

What is C2 Pipeline Warriors College Experience?
Participants of this busy 11 day residential camp will get a sense of what college life is like. They will live and eat in dorms, and attend classes taught by WSU faculty and staff.

In the evenings, students meet with their assigned inter-professional education team (IPE). Each team will receive a challenge, requiring several days of intensive planning and preparation. At the end of the program, teams will present their work and compete for scholarship money to attend Wayne State University.

What Will Mentors Do?
- Collaborate with high school youth as they work on their inter-professional education teams to solve a prevalent health disparity
- Advise, encourage and provide feedback
- Empower youth to be innovative thinkers and problem solvers
- Communicate with students in person (on WSU campus) or via phone, text, Skype, or email. YOU choose your preference!
- Mentors will not be assigned to a specific team. They will be part of a larger mentor library, where any team can “check out” a mentor as a resource for their project.

What is the Time Commitment?
- Approximately 8 - 10 hours
- July 25 - August 1 from 5pm - 10pm
- Join us for the Gala on August 2nd!

Congratulations the youth you helped and witness your contributions during student presentations and the award ceremony!

Who Can be a Mentor?
- Any Community Professional
- NOT limited to STEM Professions
